Subject: Question re FOIA request from NC Superfund Section for ROADSIDE PCB SPILL (NCD980602163)

Ms. Gross/Ms. Woodard—

I was given your contact information by Carolyn Callihan, through James Bateson, NC Superfund Section Chief.

We have received an urgent public information request from a citizen and wish to request all 334 documents for this Delisted Superfund site. (ROADSIDE PCB SPILL / NCD980602163) Our Division is a repository for all CERCLA documents, according to our Cooperative Agreement with EPA Region IV, and we do not have copies of the requested documents. I'm writing to ask which would be most expedient: For me to complete an online FOIA Request form, or to appeal directly to either of you for the information. We would be happy with electronic documents, if that is the form in which they exist. I've attached a copy of the FOIA Request form, which I have not yet submitted online.

Please let me know what is best, at your earliest convenience. Feel free to call me at the number listed below.

Many thanks,
Scott
